Ward 1 tied after the recount.

Municipal Election Act requires that on a tie vote, the clerk shall choose the successful candidate by lot. Accordingly, Linda Fulton's and Dave Oliphant's names were placed in a hat and the clerk made the draw. Dave Oliphant's name was drawn.

According to Section 62(4) of the Municipal Elections Act, if no application has been made for a judicial recount under section 63 the clerk shall, on the 16th day after the recount is completed, declare the successful candidate.

Accordingly, this document indicates the recount results and is not a declaration of candidates elected.

According to Section 64(1) of the Municipal Elections Act, the candidates declared elected from the original election results are entitled to sit and hold office until all recounts and applications under this Act have been disposed of.
