

Township of East Zorra-Tavistock

Open House & Special Council Meeting

Date: January 10, 2007
Place: Tavistock Memorial Hall
Time: 6 pm – 7 pm Open House
7 pm Special Council Meeting

During the Open House, residents can view information on the Master Drainage Plan and provide feedback and information on items that may be missing from the drainage system inventory. (Ex. Private drains, catch basins in rear yards, private undocumented connections to the drain system, etc.) Information on the Tavistock Municipal Drain 2006 will also be available before the Special Meeting.

At 7 pm, Council will convene to consider the Tavistock Municipal Drain 2006 Report, followed by an update from RJ Burnside on the Master Drainage Plan.

Following the formal meeting, Council, staff and engineers will be available to speak with residents about specific drainage matters and gather additional information from residents.
