

Tavistock Sewage Collection System  
Municipal Class Environmental Assessment (EA)

Notice of Study Commencement

---

In the past, Tavistock has experienced surcharging in the sewage collection system. Oxford County has retained R. J. Burnside & Associates Limited to review and evaluate the sewage collection system in an effort to minimize current and future surcharging.

The above project is being planned under Schedule B of the Municipal Class Environmental Assessment for approval under the Ontario *Environmental Assessment Act*.

Public input and comments are invited to be incorporated into the planning and design of this study. For further information on this study or to be added to the mailing list, please contact:
