NO OPEN AIR BURNING

IN EAST ZORRA-TAVISTOCK

EFFECTIVE IMMEDIATELY

Due to the very dry summer we are presently experiencing it has been decided that for safety reason there is a ban being placed on any open air burning.

Firepits for cooking purposes only will still be allowed.

The Township of East Zorra-Tavistock Fire Department will not approve any controlled burns until further notice.

The ban will be lifted when weather conditions are deemed safe by the Township Fire Department.

Scott Alexander
Fire Chief
Township of East Zorra-Tavistock
