INDEPENDENT AUDITOR'S REPORT

To the Members of Council, Inhabitants and Ratepayers of the Township of East Zorra-Tavistock

Opinion

We have audited the accompanying consolidated financial statements of Township of East Zorra-Tavistock (the "Township"), which comprise the Consolidated Statement of Financial Position as at December 31, 2024, and Consolidated Statements of Operations and Accumulated Surplus, Cash Flows and Change in Net Financial Assets for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Township of East Zorra-Tavistock as at December 31, 2024 and its financial performance and its cash flows and change in net financial assets for the year then ended in accordance with Canadian public sector accounting standards.

Basis of Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Township in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Township's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Township or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Township's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Township's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Township to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**TOWNSHIP OF EAST ZORRA-TAVISTOCK
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024**

The Township of East Zorra-Tavistock (the "Township") is a Township in the Province of Ontario, Canada. It conducts its operations guided by the provisions of provincial statutes such as the Municipal Act, Municipal Affairs Act and related legislation.

1. Significant accounting policies

The consolidated financial statements of the Township of East Zorra-Tavistock are prepared by management in accordance with Canadian public sector accounting standards. Significant aspects of the accounting policies adopted by the Township are as follows:

a. Basis of consolidation

These consolidated financial statements reflect the assets, liabilities, operating revenue and expenditures and accumulated surpluses and changes in investment in tangible capital assets of the Township.

These consolidated financial statements include the activities of all other committees and boards of Council including:

Hickson Recreation Committee
Hickson Trails Committee
Innerkip Community Centre Board of Management
Tavistock and District Recreation Board

During the year ended December 31, 2020, the Municipality became the administering Municipality for the Rural Oxford Economic Development Corporation (ROEDC). As a result, ROEDC is consolidated in these consolidated financial statements.

The investment in a government business enterprise, EARTH Corporation (EARTH), is accounted for using the modified equity basis of accounting. Under this method, the government business enterprise's accounting policies, which follow International Financial Reporting Standards are not adjusted to conform with Canadian public sector accounting standards and inter-entity transactions and balances are not eliminated.

b. Revenue recognition

Revenue is recognized when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Government grants and transfers are recognized in the consolidated financial statements as revenue in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

c. Accounting for County and School Board transactions

The Township is required to bill, collect and remit provincial education and upper tier taxation in respect of residential and other properties on behalf of the school boards and upper tier. The Township has no jurisdiction or control over the school board or upper tier's operations or their tax rate. The taxation, other revenue, expenditures, assets and liabilities with respect to the operations of the school boards, and the County of Oxford are not reflected in these consolidated financial statements.

TOWNSHIP OF EAST ZORRA-TAVISTOCK
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

1. Significant accounting policies continued

d. Trust fund

The Township of East Zorra-Tavistock's Trust fund and its related operations administered by the Township are not consolidated but are reported separately on the Trust Fund Statements of Operations and Financial Position.

e. Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenue over expenditures, provides the consolidated change in financial assets for the year.

The Township's non-financial assets consist of tangible capital assets. Tangible capital assets, greater than \$5,000, are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over their estimated useful lives as follows:

Land Improvements	10 to 50 years
Buildings	10 to 75 years
Machinery and equipment	4 to 25 years
Vehicles	6 to 20 years
Infrastructure - Bridges	30 to 100 years
Infrastructure - Roads	7 to 100 years
Infrastructure - Storm and other	15 to 100 years

Tangible capital assets received as contributions are recorded at their fair value at the date of the receipt. The fair value is also recorded as contributed revenue.

f. Deferred revenue

Government transfers, contributions and other amounts are received from third parties pursuant to legislation, regulation or agreement and may only be used in the conduct of certain programs, in the completion of specific work or for the purchase of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenditures are incurred, services performed or the tangible capital assets are acquired.

**TOWNSHIP OF EAST ZORRA-TAVISTOCK
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024**

1. Significant accounting policies continued

g. Use of estimates

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenditures during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

h. Asset retirement obligations

An asset retirement obligation is recognized when as at the financial reporting date, all of the following criteria are met:

- there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- the past transaction or event giving rise to the liability has occurred;
- it is expected that the future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

Township owned buildings containing asbestos, are estimated and recognized as a liability and an increase in the cost of the asset at the time of acquisition. The liability is discounted annually over the same useful life as the asset's annual amortization expense, calculated in accordance with the Township's amortization policies. The liability is increased due to the passage of time and is recorded as accretion expense on Schedule 2 under Rent and Financial Expenses. During the year, the Township reviewed its tangible capital assets and determined there are no tangible capital assets that meet the above criteria and therefore, no asset retirement obligation has been recorded.

i. Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expense as incurred.

j. Financial instruments

Financial instruments of the Township consist mainly of cash, accounts receivable and taxes receivable. The carrying values of these financial assets approximate their fair values unless otherwise disclosed.

k. Prepaid supplies and inventory

Inventory of supplies for consumption are valued at the lower of cost or replacement cost. Gravel inventory is determined per tonne and includes raw material, extraction and crushing costs.

TOWNSHIP OF EAST ZORRA-TAVISTOCK
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

2. Tax revenue

Property tax billings are prepared by the Township based on an assessment roll prepared by the Municipal Property Assessment Corporation. All assessed property values in the Township were reviewed and new values established based on a common valuation date which was used by the Township in computing the 2024 property tax bills. Property tax revenue and tax receivables are subject to appeals which may not have been heard yet. Any supplementary billing adjustments made necessary by the determination of such appeals will be recognized in the fiscal year they are determined and the effect shared with the County of Oxford and the appropriate school boards.

3. Trust fund

Trust fund administered by the Township amounting to \$7,840 (2023 - \$7,438) has not been included in these consolidated financial statements.

4. Operations of School Boards and the County of Oxford

Further to note 1.c, the taxation revenue of the School Boards and County of Oxford are comprised of the following:

	School Boards	County
Taxation and user charges	\$ 2,909,986	\$ 7,001,531
Requisitions	\$ 2,909,986	\$ 7,001,531

5. Pension agreements

The Township makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of services and rates of pay.

The amount contributed to OMERS for 2024 was \$255,636 (2023 - \$237,419) for current service and is included as an expenditure on the Consolidated Statement of Operations and Accumulated Surplus. The Township has no obligation, as of December 31, 2024, under the past service provisions. The OMERS funding ratio for 2024 is 98.0 % (2023 - 97.0 %).

6. Deferred revenue - obligatory reserve funds

A requirement of the public sector accounting standards is that obligatory reserve funds be reported as deferred revenue. The balances in the obligatory reserve funds of the Township are summarized as follows:

	2024	2023
Building	\$ 342,995	\$ 435,753
